President's Message

Did you ever think that you'd be searching for ways to keep your orchids cool? But here we are! With no A/C my only solution is to mist heavily several times a day, have lots of air movement from fans, water faithfully as often as needed and hope that I can get them through this. Some, like Cattleyas, may even like the heat, but many mini's and cool growers will suffer.

Have a great summer, I hope you get to spend more time with your families and friends as restrictions lift and stay as cool as you can. I'm looking forward to seeing you in September.

Sheila Wilson
President, CVIOS

Upcoming :

- Please check your email for information about upcoming meetings and the annual summer orchid picnic.
- We hope to resume in person meetings in September.

MONTHLY MEETINGS

GENERAL INFORMATION

CVIOS meetings are normally held once per month September to June on Sunday at the North Oyster Community Center, 13467 Cedar Road, 11:30 to 2:30. Typically there is a brief business meeting starting at 12pm. Following is a display of plants brought in by members, a coffee break, prize draw and a featured presentation or demonstration. There is a sales table where orchid supplies and plants brought in by members and or speakers can be purchased. We look forward to in person meetings as soon as it is safe to do so.
